SOCIETY

By Bertha Hempstead

Mr. and Mrs. E. J. Shakeshaft and Miss Beatrice Shakeshaft will return soon from Minnesota. Mr. and Mrs. Shakeshaft's daughter, Miss Margaret Shakeshaft, was married to Mr. Howard Raymond Malcolm of Minneapolis, Minn., Monday. The marriage was solemnized at Trinity Episcopal church, Excelsior, Minn., where the Shakeshaft family spend the summer each year. The wedding was a quiet one on account of the illness of the bride's mother. Trinity church, the scene of the wedding, is one of the old churches of that part of the state. It was built by the father of Mr. P. C. Chamberlain of Topeka in 1862. The Rev. Mr. Chamberlain was an early missionary clergyman of Minnesota.

Jack Shakeshaft, a cousin of the

bride, went from Topeka to attend the wedding of Miss Shakeshaft and Mr. Malcolm, and returned home today.

Mr. and Mrs. Malcolm will make their home in Minneapolis, where Mr. Malcolm is connected with the Gold Medal Flour Milling company.

Miss Doris Bowman, of Kansas City, is a guest in Topeka this week, and is visiting her uncle and aunt, Mr. and Mrs. Clarence Bowman. She is to be one of the riders in the horse show for two performances. She rides for Mr. Roy L. Davis, of the Parkview Riding academy. She will ride in the team class, and in the second performance she will ride alone.

Miss Bowman has had instruction in the Parkview riding academy. She has had her own horse for a long while, and riding is her favorite diversion. Her instructor asked her to ride some of his horses at the show, and she consented, tho she is horse-woman only in a dilettante sort of way. She is a delicate, sweet-faced girl, and not the least "horsey." She visited the exhibits Monday afternoon dressed in her riding costume, of khaki, with long coat, white spurs, riding hat of dull green felt. Her high boots were of brown leather. Her mother is with her in Topeka, a guest at the Bowman home. Miss Beulah Raiment, of Iowa, is also a guest of Mr. and Mrs. Bowman.

The Kappa Kappa Chi house, of 1604 College avenue, is opened for the school year. The girls who will be residents at the chapter house this season are: Miss Hazel Jones and Miss Narra Jones of Wakeeney, Miss Helen Webb of Pittsburg, Pa.; Miss Margaret Webb of Pittsburg, Pa.; Miss Erma Erickson of Virgil, Miss Avis Clayton of Hill City and Miss Margaret Calvert of Muskogee.

Announcements have been received in Topeka of the marriage of Miss Ruth Barrett and Mr. William Reid of Great Bend, Kan. The wedding took place Monday, September 4, at Colorado Springs, Colo. At home after October 5 at Great Bend.

The bride is the daughter of the late Rev. Mr. Barrett of the North Topeka Baptist church. He was a pioneer minister of this city, and his family has a wide acquaintance here. Miss Barrett taught for a number of years in the Quincy school, and she was a one time reader for one of the Christian Science congregations in Topeka. Mr. Reid has friends in Topeka also, and is connected with the Great Bend branch of the Page Mills.

Topeka members of the Kappa Kappa Gamma sorority will be interested in the announcement of the engagement of Miss Hazel Clarke, the daughter of Mr. and Mrs. E. J. Clarke, of Lawrence, to Mr. Edward H. Taylor of Manila, P. I. The wedding will take place the last of September. Miss Clarke is a graduate of the Kansas State university and took an active interest in student affairs. She is a Kappa Kappa Gamma sorority girl.

One of the cleverest of the Topeka women, Miss Effie Graham, has been invited to speak before the club women in the convention of the Third district federation, to be held at Independence October 16, 17 and 18. She will probably speak on some phase of her work as chairman of the state federation department of education. She is well known through the state as an educator and a writer. A new book from her pen, "Aunt Liza's Praline Gate," is now in the publishers' hands.

Mrs. F. W. Stout of Oswego, is arranging the program. Among the speakers for the convention are Dr. William A. Brandenburg, president of the State Manual Training Normal school at Pittsburg; Dean Harold L. Butler of the Kansas university school of music; Mrs. Butler and Miss Zoe Wolcott, head of the domestic science department of the Pittsburg normal; Mrs. Harry B. Musser of Parsons, chairman of the conservation department of the federation; Mrs. Pearl Griffin of Thayer, and Mrs. Elizabeth Kennedy of Fredonia.

Mrs. E. D. Clithero, of 512 Fillmore street, is planning a series of eight student recitals to be given this fall. Two of them will be held in the First Baptist church, and the others will be given at her home. She has made the third floor of her house into a concert room, which had it refurnished and decorated, and has installed a Chickering grand piano.

The recitals are to celebrate the attainment of the names of one hundred pupils on her roll.

Something new has been thought of out in College Hill this year. There is to be a "community house" which

will be conducted by Miss Blair, former house mother for the Theta sorority. The house taken a house near Washburn college and will furnish rooms for students, and also will serve luncheons. The sorority girls and the fraternity men can get luncheon at the chapter houses, but there are many other students who find difficulty in getting the noon meal without coming down town for it, and the community house is designed to meet that difficulty in the student life out on the hill.

The musical people will be interested in the concert to be given Wednesday night at the Central Congregational church, at which Miss Carolyn Lovell will present her pupil, Mr. Elmer Herling, of Falls City, Neb.

Miss Esther Payne will assist with some piano solo numbers, and she will also play Mr. Herling's accompaniments. Miss Lovell will sing. Mr. Herling has a baritone voice, said to be of unusual good quality.

At a meeting of the social committee of the Woman's Club Monday evening, it was decided to hold the opening meeting at the Throop hotel. The affair will be a luncheon Thursday, October 5, in the hotel dining room.

Mrs. George W. Parkhurst is chairman of the committee. Mrs. W. A. Johnston, vice-chairman, and Mrs. Arthur Apper, secretary, and Mrs. Beggs, the club president, met with the committee.

All paid-up members of the club will be guests at the luncheon.

The Good Government club will hold its first meeting since last spring Thursday afternoon at 2:30 at the Y. W. C. The topic of discussion will be "A Municipal and County Farm for Shawnee County." Mrs. F. P. Lindsay, president of the club, will preside. The committee in charge of the discussion is composed of Mrs. Effie Main, Mrs. E. G. Fisher, Mrs. R. L. Coffman and Miss E. C. Fisher. Miss Ruth Bomgardner will sing. The program for the coming year will be issued at the meeting.

Love is only a chemical reaction; you can get the same sensation by stroking a rubber ball.

Dr. A. A. Lindsay, expert psychopathologist of New York, passes this tip out to the world of lovers while the moon is still full.

"There is nothing in this so-called love; that is, really nothing but the thrill of physical contact, as for instance in kissing," said Dr. Lindsay. "After you have kissed the same girl many times the thrill goes out of the kiss. Then you or the girl discover that love never existed between you."

Miss Jessie McCarter has gone to Baldwin to enter the senior class at Baker university. Mr. William McCarter is leaving for Hanover, N. H., to begin his second year at Dartmouth college.

Miss Katherine McCarter, Mr. Churchill Sargent and Mr. William McCarter motored to Baldwin Sunday. The young men returned Sunday evening, and Miss McCarter remained for a visit of a few days.

For those interested in sending their children to Potwin kindergarten, Mrs. June Chapman, director, announces that there will be jitney service for children who live at too great a distance to walk to school. Arrangements may be made by calling Mrs. J. W. Sewell, telephone 1263.

Among the best achievements of the club women is counted the establishment of the scholarship loan fund by which young women are enabled to receive a college education. The general federation has such a fund, and the Kansas state federation is educating a large number of girls by means of its fund. The Woman's

club of Topeka also has its own fund which it uses to send one girl each year to Washburn college. One student may use the scholarship four years, or less, and through the efforts of the club one girl will be maintained at school every year.

The woman who apologizes for all her food whenever there is company, entertained some friends at luncheon. When the cake was served the hostess began to tell how she feared she had made a failure of it. Her guests tried to calm her down and soothe her feelings about the cake which was quite good enough.

"Really," one of the guests spoke up, "it is delicious. It tastes almost like fruit cake."

"Well, I should think so," bristled the indignant hostess, "it is fruit cake."

TWENTY YEARS AGO TODAY

Topeka's social season was most fittingly opened last evening with a flower parade held at Hamilton hall. The great hall was appropriately decorated. Flags draped the wall and along the sides were strands of asparagus and hibiscus. The stage was draped with flags and behind it a bank of mammoth palms. The music sent forth inspiring strains such as no one could resist. At the east end of the hall behind gold and black screens, loaned by Messrs. Giles, Mills and Crosby Brothers, was a cozy little room where a dainty supper was served, consisting of chicken sandwiches, olives, coffee, cream and cake. The window sills were banked with greens and flowers, and palms scattered about gave a tropical air to the scene. Lemonade punch was served throughout the evening at the east end of the stage, which proved most refreshing to the enthusiastic dancers.

Mrs. C. S. Sutton, who had charge of the arrangements, deserves the highest praise for every detail was perfect. Mrs. Sutton was ably assisted by Mrs. Ella Wood, Mrs. J. H. Todd, Mrs. A. A. Raub, Mrs. S. M. Wood, Mrs. F. N. Jeff, Mrs. E. H. Galbreath, Mrs. Klusman, Mrs. Laux, Mrs. T. Wilkie, Mrs. Sly, and Mrs. Tatum.

Among the more notable toilettes were: Mrs. Jonathan Thomas, in a rich gown of brown and green flannel silk, velvet and lace trimmings; Mrs. George Parkhurst, in a black velvet gown with a pointed lace; Mrs. C. S. Sutton, in a heliotrope and silver gown over heliotrope silk; Mrs. Irvin Doolittle, in white flowered organdy over a pink silk slip; Mrs. W. J. Black, white organdy with ruffles, pink satin color and belt; Mrs. Charles Blood Smith, white organdy over a white silk slip; Mrs. Frank Crane, white and black silk, over a white silk slip; Miss Ollie O'Brien, white organdy over lemon colored silk slip; Miss Edna Best, satin and brocade skirt, fancy bodice of violet brocade silk and velvet. She carried a small bouquet of roses; Miss Mary Moon, white organdy and satin ribbons; Mrs. Arthur Murphy, white flowered organdy over white silk slip.
